About Us

Dwarka Walk is situated in the vibrant heart of Dwarka, Delhi's largest and rapidly evolving sub-city. Our vision is to create a space welcoming to all with the motive of 'Mall by the people, of the people, and for the people', where everybody could have a magnificent experience while shopping, dining, and enjoying other recreational activities.

Our meticulously designed facility and services cater to the diverse needs of families, individuals, and groups, fostering a sense of community and togetherness. We have everything for everybody: from the best retail brands for clothing to home décor, wellness brands, a multi-cuisine food court, coffee shops for hanging out, and a sports store for our evolving and current sports enthusiasts.

Our lush green atrium attracts people; everybody gets pulled towards it and feels compelled to sit and admire the beauty of nature. The view of our atrium often leaves people speechless when they see nature engraved in the modern infrastructure.

But we aren't done yet. We also have a luxurious 5-star hotel within our premises, making us the first mall in Dwarka to offer such a distinctive experience. This exceptional feature provides our visitors with the convenience of world-class accommodation, positioning us as an ideal destination for travelers and those seeking a luxurious retreat. Together, we embark on a journey of captivating emotions, where excitement, inspiration, and happiness intertwine to create unforgettable moments.

What Makes Us Different

We constantly work on improving and enhancing the experience for people at our mall. We always ensure that we provide them with all they need under one roof. We welcome every feedback we receive and ensure efforts are spent on it. Our constant efforts have made our mall one of the best places to be in West Delhi (Dwarka) according to the people.

Mall

At Dwarka Walk, we redefine the concept of shopping where community, culture, and commerce intersect. Our vibrant spaces are designed to inspire, entertain, and connect individuals of all stages of life. We at Dwarka walk foster a sense of belongingness, welcoming diverse communities and ensuring everybody feels connected at our mall. We constantly keep evolving and coming up with innovative ideas to create an environment where everybody feels connected and give our best in exceeding the expectations of the of modern urbanite.
